Herod Elementary PTO After-School Enrichment Program
CLASS DESCRIPTIONS
August 29, 2016 – December 15, 2016

Art/Mixed-Media (Grades K-1 Mondays) and (Grades 2-5 Tuesdays) Children will explore new art media, learn new skills, and creatively express themselves as they work with a variety of materials, including: painting, drawing, sculpture, printmaking and mixed media. Children will explore a variety of art media and basic art fundamentals such as line, shape, color and texture while gaining new art skills. (Taught by Ms. Marla Roberson, Herod Art Teacher)

Supply Fee: \$25.00

Maximum: 15 Students

Ballet-Dancing Stars (Grades PreK-2) This educational and developmental dance class incorporates ballet techniques, skills and posture; balance; gross and fine motor development; flexibility; grace; and poise. Designed to give students a foundation and appreciation for ballet using age-appropriate music and moves. An on-site recital is put on by the students twice a year, showcasing what the kids have learned. Dancing Stars, it's "tutu" much fun! (Taught by Stretch-n-Grow of Houston)

Supply Fee: \$50 (Includes Performance Outfit, Hair Bow & Bag)

Baseball & Softball (Grades K-3) This class will teach your son or daughter the correct fundamentals in the three major aspects of baseball or softball. Throwing, fielding and hitting will be emphasized and students should bring their own gloves. Rules of the game will also be taught during in-class scrimmage games. Class will be held on playground. (Taught by Athletes After School)

Basketball (Grades 2-5) Learn the fundamentals of basketball as students play this exciting sport. Students will focus on the basics of the game, as they learn to dribble under control, shoot and pass. Rules of the game will be taught during in-class scrimmage games. Class will be held in the Multi-Purpose Room with warm-up exercises taking place on outside playground. (Taught by Athletes After School)

Cake Decorating (Grades K-5) *Cake, Cupcake and Cookie Decorating* would be a better name for this class! Young bakers will uncover their skill as they put the icing on their cakes, cupcakes and cookies. They will also bring home their treats most weeks. Parents, please note ANY food allergies at registration time. (Taught by Ms. Sally Lewis, Herod Technology Specialist)

Supply Fee: \$30.00

Maximum: 15 students

Cheer – (Grades PreK - 2) All-Star Cheer Squad cheerleading classes are designed for students who want to experience the thrill of spirit and develop talent, coordination, skills and self-esteem. Students will learn cheers, chants, motions, jumps and spirit dances. A pep rally for the cheerleaders to showcase their talent for their parents and peers is the best part of this class! (Taught by Stretch-N-Grow of Houston)

Supply Fee: \$50.00 (Includes Socks, Pom Poms, Shirt, Shorts, Backpack and Hair Bow)

Chess – Beginner & Intermediate (Grades K-5) Beginners will learn how to play chess and develop a love for the game. Intermediate players are those who know the pieces and rules of the game and are looking to develop game strategy. Studies have shown chess to provide children with higher problem-solving abilities. Skills utilized in chess transfer well to all aspects of school and life! (Taught by Mr. Ron Gelbart)

Chess – Advanced Tournament Play (Grades 1-5) For those Chess players who are ready to enter the realm of tournament play. Students will become members of the US Chess Federation and become eligible to play in weekend tournaments. Learn notation, use of time clock and advanced strategies. This is competitive Chess. (Taught by Mr. Steve Zarwulkoff)

Clay Creations (Grades 2-5) Its hard to find a medium more fun than clay! This class will instruct students in hand-building and clay sculpture techniques. They will also learn to use special tools and how to create a finished product. Beginners and advanced students alike will enjoy creating at their level. (Taught by Ms. Marla Roberson, Herod Art Teacher)
Supply Fee: \$30.00
Maximum 15 students

Club Etiquette -From Alarming to Charming (Grades PreK-5) Join friends for this interactive class. Students won't even know they are learning the following "Social Graces": table manners, telephone manners, proper introductions, poise & posture, dining graces, greetings, handshakes, plus a whole lot more. Your child will learn to appreciate and understand the importance of proper etiquette in any setting he or she may find themselves in. Positive incentives and parent/child reinforcements are sent home to enhance your child's new skills. (Taught by Club Etiquette)
Supply Fee: \$25.00
Minimum 7 students

Computer Animation (Grades 3-5) Computer programming with "*Scratch*"! Students will learn to create interactive animations, games and much more. While programming sprites, students will learn math and computer skills. Collaboration and creativity will also be encouraged. Returning students will do advanced work. (Taught by Ms. Sally Lewis, Herod Technology Specialist)
Maximum: 12 students

Cooking (Grades 2-5) Students will participate in all aspects of the food cooking process to create healthy and delicious meals in a series that will include an assortment of gourmet-style dishes served for breakfast, lunch, dinner and dessert. Students learn to use kitchen utensils, kitchen gadgets, a stove eye and a toaster oven. Students are required to measure, stir, cut, sauté and enjoy a variety of preparation techniques taught to Chefs around the world. (Taught by Valli`er of After-School Enrichment Arts and Crafts Classes)
Supply Fee: \$45.00
Minimum 6 students

Crafty Girl Creations (Grades 1-5) Students will have a blast creating "crafty projects" they can wear or use, like tutu's, flip flops, purses, notebook covers, decorative clipboards, picture frames and many more! We will work with fabric-oriented pieces and other artsy materials. This is a unique class that will appeal to those with a heart for craft-making. (Taught by Ms. Marie Brown of Herod)
Supply Fee: \$35.00
Maximum: 6 students

Creative Writing (Grades 3-5) If you are a student with a love for reading and/or writing, Creative Writing is for you! Join an exciting and imaginative experience where students will explore the many genres of the creative writing world. Students will be introduced to the creative process of writing books, poems, and even movie scripts! At the end of the semester each student will have their very own book to show off and read to others! (Taught by Ms. Audrey St. Germain, Herod Teacher)
Supply Fee: \$15.00
Maximum: 5 students

Engineering (Grades 2-5 Wednesdays- Electrical and Marine Engineering; PK-2 Thursdays- Marine and Mechanical Engineering) **WEDNESDAYS: Electrical Engineering** is designed to introduce students to the fundamental concepts of circuit design, building, and maintenance through a wide range of exciting hands-on activities. In **Marine Engineering** students use the engineering design process to design, create, test, and refine a wide range of marine-based devices and vehicles. Students construct working prototypes that teach and reinforce the concepts of above water transportation, underwater exploration, and harnessing the power of water. **THURSDAYS:** What causes something to sink or float? How can engineers help explore and protect the ocean below? These questions and more are all explored in **Marine Engineering** where students explore the concepts of marine engineering and mechanics, harnessing the power of water, and discovering designs that help us make the impossible, possible. In **Mechanical Engineering**, students are introduced to fundamental concepts of energy, materials, fluid mechanics, and simple machine (roller coasters, catapults and more). (Taught by Greater Houston Engineering For Kids)

Fencing (Grades 1-5) Fencing is unique, athletic, mentally stimulating, artistic and above all, FUN! Fencing is a lifetime sport that provides participants with both a physical and mental challenge. Students who take this course improve their reaction time as they learn the fundamental moves and commands of fencing. Students will also learn the history behind this sport of knights and swashbucklers. (Taught by Houston Sword Sports)
Maximum: 24 students

Flag Football/Conditioning (Grades 2-5) Are you ready for some more football? Now your child can learn the basic rules of the game through this non-contact sport. They will enjoy learning stretching techniques and conditioning that can be used in any sport. Class will be held on school playground. (Taught by Athletes After School)
Maximum 20 students

Golf (Little Birdies Golf) (Grades 1-5) Little Birdies' Golfers will learn the concepts, skills and fundamentals of Golf with an emphasis on character development. Golf skills covered include: Golf Terminology; Golf Topography; the Difference between Irons, Woods and Putters; Body Alignment; Ball Contact; Putting and Driving Techniques; and Overall Swing Consistency. Life skills impacted include: Critical Thinking and Social Skills; Comprehension and Estimation Skills; Decision Making Skills, Patience and Focus; Concentration and Self-Esteem; Math Skills; Overall Physical and Mental Health. All equipment necessary will be provided. (Taught by Little Birdies Golf)

Guitar (Beginner Grades 1-5 and Advanced Grades 2-5) Students will be taught the art of playing classical guitar which includes: technique, sight-reading, chord recognition, and performance etiquette. Students will be able to use the school's guitars during class, but need to have their own guitar to practice with at home. Students should be sized for their guitar prior to purchase. All participants will be encouraged to participate in an end of semester performance. (Taught by Ms. Penny Hoxter-Pershell)
Supply Fee \$20.00
Maximum 8 students per class

Gymnastics With Coach Heather (Grades PreK-2 and 2-5) Your child will enjoy participating in this exciting class once a week. They work in areas of floor tumbling, balance beam, and mini-trampoline. Three goals are set for each student: to have FUN; to control our bodies both physically and mentally; and to learn to work HARD. (Taught by Token Tumblers)
Maximum 25 students per class

Hip-Hop Dance (Grades PreK-2) Stretch-n-Grow presents Kids Dance Party. Kids will move and groove in this crazy, fun and energetic creative hip-hop dance class. Kids Dance Party has age-appropriate music and moves, loved by boys and girls alike. Dance builds concentration, coordination, recall and reaction time. An on-site recital is put on by the students twice a year, showcasing what the kids have learned. Kids Dance party is a fun way to end the day! (Taught by Stretch-N-Grow of Houston)
Supply Fee: \$35 (Includes T-Shirt, Hat & Backpack)
Minimum 8 students

Karate/Martial Arts (Grades K-5) This is a self-defense class where students will be taught discipline, respect and self-defense techniques. This class is designed for fun while obtaining a positive learning experience. They will focus on physical and mental development. Some of the topics for this class are: respect, discipline, basic-blocking techniques, and physical fitness; plus games that will teach coordination, balance, flexibility and nutrition. Join us twice each week to enhance your martial arts skills! (Taught by Soo Bahk Do Moo Duk Kwan Houston)
Supply Fee Optional - \$45 for Karate uniform

Mad Science (PreK-K - Mondays; Grades K-5 - Wednesdays or Thursdays) Through its innovative concept of "Edu-tainment", Mad Science has been able to spark the imagination and curiosity of children everywhere. Their goal is to provide fun, entertaining and exciting activities that instill a clearer understanding of what science is really all about and how it affects the world around them. Each semester the Mad Scientists teach new material so you can enroll in the class over and over again. Mad Science offers **Pre-Kinders and Kinders special Monday** classes exclusively for their age group where they can perform experiments, participate in demonstrations and have a take-home item at the end of each class. (Taught by Mad Science of Houston)

Model Building 101 (Grades 1-3) This class is geared toward building things: robots, cars, boats, planes, rockets, and lots of other cool devices. If you love to build things in your spare time; or your imagination is wild and creative, join Mr. Tesch for an awesome adventure in Model Building! (Taught by Mr. David Tesch, Herod Teacher)

Supply Fee: \$35.00

Maximum: 10 students

Piano Keyboarding (Grades K-5) **For Beginners**, the student will be able to learn the basic piano techniques to add expression to their music playing, knowledge of piano playing, note reading, and sight reading ability. Practice at home is recommended. **For the more Advanced student** who has received prior Keyboarding instruction, focus is on further developing their piano techniques. They will continue with their progress on expression, knowledge of piano playing, note reading, sight reading, and the ability to have hand-eye coordination. (Taught by Ms. Rita Martin)

Supply Fee: \$30.00

Maximum 8 students per class period

Robotics (Grades 1-5) Students will learn how to design, build and test remote controlled miniature robots made from LEGO building blocks, including the specialized pieces: axles, gears, beams, wheels, motors, microcomputers, pneumatics and other parts that will enable the student to safely create animated and exciting mechanical movements and other effects. They will understand how things work through hands-on activities that demonstrate the principles of simple and motorized machines, while learning skills of team-work, problem-solving and creative thinking. (Taught by American Robotics Academy)

Minimum 5 students; Maximum 15 students

Sewing (Grades 2-5) Revive the skill of sewing in this hands-on sewing class! In Beginning Sewing we will be learning sewing basics this semester; how to thread a machine, sew in a straight line, sew a curved line, sew buttons, hand stitch, and cross stitch. We will make pencil bags, heating bags, a stuffed animal, rag bags, and more! It's going to be a blast learning skills for life! (Taught by Ms. Audrey St. Germain, Herod Teacher)

Supply Fee: \$30.00

Maximum 5 students

Sign Language (American Sign Language) (Grades 1-5) Your child will be learning beginning **American Sign Language (ASL)**. They will learn to sign the alphabet, numbers, colors and conversational language. Beginner Sign Language is the beginning of a new journey. Your child will have fun with exciting new ideas that will be shared! ASL can be taken as a second language during Intermediary and High School years. In addition, it can be taken as a foreign language during college. (Taught by Ms. LaTarsha Kelley)

Soccer With Coach Heather (Grades PreK-2 and 2-5) Here's your child's opportunity to learn about the great sport of soccer in a fun and exciting environment. We pride ourselves in being flexible enough in our teaching abilities to be able to find a way to reach every student. Our classes are filled with passing and shooting techniques, dribbling drills, goal-keeping skills, proper heading techniques, and basic soccer rules and regulations. Our soccer classes promote Self-Control, Good Sportsmanship and Self-Discipline. Class will be held on the playground. (Taught by Token Tumblers)

Softball (See Baseball & Softball)

Spanish (Grades K-5) Early Language Learners offers foreign language instruction specifically designed for elementary age children. Classes are interactive and fun, exposing students to Spanish through music, visuals, art, games and dance. We use the Natural Approach to second-language instruction, which helps encourage spontaneous response and meaningful communication among students. Numerous activities, lessons and units all work together to maximize the students' willingness to communicate while providing a language-rich environment. (Taught by Early Language Learners)

Speak Up! (Grades 3-5) Public Speaking for Children. Help your child improve their confidence, self-esteem and social skills through this fun, interactive public speaking class. Students will learn how to become comfortable speaking before a group and gain the confidence to speak up! (Taught by Ms. Kristi Johnson)

Supply Fee: \$5.00

Team Games (Grades 3-5) Thursdays, (Grades K-2) Fridays. Anyone interested in learning all kinds of new team games? Coach knows them all! As you learn the games, you will also be learning sportsmanship, teamwork, and strategy. Activities will include Capture the Flag, Floor Ball, Ultimate Football and Frisbee, Kickball... and much much more! (Taught by Herod's Coach St. Germain)

Maximum: 20 students

Tennis (Grades 2-5) Tennis anyone? Learn the fundamentals of tennis; serving, returning and volleying. Students will practice fun drills to develop their skills and understanding the rule of the game of tennis. Classes will be held on the tennis courts at Gail Reeves Park behind Herod. (Taught by Ms. Patricia Brand, former Herod Teacher)

Supply Fee: \$0 (but bring your racquet if you have one)

Theater (Grades K-5) Students will learn basic stage movement, acting, voice control presentation, and set design. Students will start with basic acting techniques, learning to tune in to personal emotions and finding the true actor within. They will move on to learn stage direction and movement, voice and dictation, facial expression as they bring characters to life. Students will present a final production at the end of the semester. (Taught by Main Street Theater)

Maximum 15 students

Violin (Beginners Grades 1-5, Advanced Grades 2-5) This class will help Herod students to develop their love of music, train patience, and develop dedication for their hobbies at a young age. Beginners will learn basic posture, correct bow grip, open strings, and first position. Within a few classes, students will be able to play songs such as "Mary Had a Little Lamb" and "Twinkle Twinkle Little Star" proficiently. Advanced students will be working on different pieces and techniques according to their personal needs, with special attention to improving tone quality. Students will be encouraged to practice every day at home, and will have opportunities to perform. (Taught by Ms. Rebecca Lo)

Supply Fee: \$20.00

Zumba (Grades 1-5) Zumba for kids! Kids love to crank up the music, shake and wiggle so why not get fit while they're at it? Zumbatomic class is a fun, energizing way for your child to keep fit and healthy. Students will learn many Latin rhythms dancing to kid-friendly songs that promote a healthy lifestyle. (Taught by Ms. Nidia Glynn)
