

Dear Student & Family:

Welcome to Schlitterbahn's Waves of Pages, a reading program designed to inspire students in grades K-5 to read for fun!

With your help, your child has the opportunity to earn one FREE admission to Schlitterbahn Galveston Island Waterpark by reading 10 hours (600 minutes) during the 10-week program, and we will share a special discount offer for your family as well.

Here is how it works:

1. You may read to your child, your child may read aloud to you, or your child may read alone. It all counts toward the 10-hour goal.
2. Time spent reading for school assignments does not count toward the 10-hour goal. Reading anything else does count, including books, comic books, magazines, newspapers or online reading.
3. Record the number of minutes your child reads on the attached Reading Log along with the title of their reading material and teacher's name. You must date and initial each entry to verify that your child completed the reading sessions. Please use additional sheets of paper, if needed.
4. Complete all reading by the date on the Reading Log. Your child must turn in all signed Reading Logs to his or her teacher by this date in order to be eligible for the free admission ticket.

Admission tickets are valid from Opening Day 2019 through June 30, 2019 at Schlitterbahn Galveston Island Waterpark only.

Please read the Program Guidelines on the last page and contact your teacher if you have any questions about the Waves of Pages Reading Program. Visit www.schlitterbahn.com to learn more about the waterpark.

This program was developed to inspire your child become part of a new generation of readers and to provide your child's teachers with a fun way of encouraging reading. We hope you will want to participate and look forward to seeing your family in the park this summer!

Sincerely,

Schlitterbahn Galveston Island Waterpark
